## CONTRACTOR INFORMATION

Object Design & Communications, Inc. is owned and operated by a multicultural and multilingual mass communications entrepreneur who is a trained and experienced graphic designer with more than 20 years in the industry. Over the past 12 years, we have provided comprehensive language translation and multicultural media and media campaigns and services in the US, Canada and the Middle East. We are a small firm with significant industry experience, and an innovator in multicultural marketing. Our impressive client list includes leading commercial, government and non-profit entities.

Our expertise lies in creating multicultural and multilingual designs, materials, and highly effective integrated campaigns. We have a network of multilingual and multicultural translators, subject matter experts, and cultural consultants who handle various subject-matter translations, and marketing campaigns. Our translators have worked on books, magazines, reports, websites, ads, public relations materials in languages such as, Arabic, Hindi, Turkish, Farsi, Croatian, Korean, French and other languages. The team insures that all text and images are accurate, appropriate and culturally sensitive.

Our team of translators are highly qualified individuals, many with M.A.s and Ph.Ds. in linguistics, language instruction experience, and technical subject matter expertise. Quality Control procedures are in place and managed by a American Translator Association certified project managers.

With a constantly updated databank of technically qualified and experienced language specialists, Object's staff and consultants of professional language specialists provide culturally appropriate and cost-effective services in over 100 languages and dialects from Arabic to Vietnamese upon request.

Object Design and Communications, Inc. offers a broad range of expertise, nationwide and internationally, in a variety of areas and markets where translation services are highly needed. Custom-design services are provided to businesses, government agencies, media organizations, and education facilities throughout the world.

We consistently provides superior services in the accurate translation of all manner of documents, including business reports, proposals and contracts, as well as translation of company documents, handbooks, instruction manuals, product manuals and patents. A core part of our service is providing accurate message translation for advertising and marketing campaigns.
